Merrimack Public Notice of Public Forum on Therapeutic Cannabis Dispensary Location

On August 25, the Merrimack Town Council will hold a public forum to discuss the proposed location of a therapeutic cannabis dispensary, called an Alternative Treatment Center (ATC), in Merrimack, NH. The New Hampshire Department of Health and Human Services (DHHS) has selected three entities to operate ATCs in four geographic regions across the state. Prime Alternative Treatment Centers of New Hampshire (Prime ATC) was awarded Geographic Area 2, representing Merrimack and Hillsborough Counties. Prime ATC has identified a location in Merrimack for its dispensary.

The public forum will be held on Tuesday, August 25 at 7:00 pm in the Matthew Thornton Room in the Merrimack Town Hall, located at 8 Baboosic Lake Road, Merrimack, NH. The forum is also noticed at www.merrimacknh.gov. The purpose of the forum is to solicit public input from residents, qualifying patients, and designated caregivers. It is open to the public and will include representatives from DHHS, the Merrimack Town Council, and Prime ATC.

If accommodations are needed for communication access such as interpreters, CART (captioning), assistive listening devices, or other auxiliary aids and/or services, contact Joan Marcoux at jmarcoux@dhhs.state.nh.us, or 271-9097. At least 5 business days advance notice is requested in order to assure availability; requests made fewer than 5 days prior to the event will attempt to be accommodated but cannot be guaranteed.
